

## Hon'ble Prime Minister Distributed *Mridaparikshak*, a Minilab for Soil Testing

Hon'ble Prime Minister Shri Narendra Modi ji distributed *Mridaparikshak*, a minilab for soil testing, to three progressive youth farmers during 87<sup>th</sup> Foundation Day of ICAR and ICAR Award Ceremony on July 25, 2015 in Patna. *Mridaparikshak* (applied for patent and trade mark) is developed by ICAR-IISS for assessing the soil health and making soil test based fertilizer recommendation. On the occasion the Hon'ble Prime Minister emphasized on holistic health care and urged agricultural scientists to make farmers their fellow travelers in development and refinement of farm technologies.
